

The Auxiliary of the Jewish Healthcare Center

The Heart  of the Home

Who We Are:

The Auxiliary of the Jewish Healthcare Center, also known as *"The Heart of the Home"* was founded in 1921, and it serves the same purpose today as it did then... helping to enhance the quality of life for the residents and to make the residents more comfortable.

Through fundraising, the Auxiliary has purchased much needed items such as defibrillators, bladder scanners and patient care lifts. They have also supplied televisions, motorized beds, and many other items for the care of the residents. The Auxiliary also sponsors birthday parties for the residents once a month.

During the year, the Auxiliary has several different functions for members. It's a great way to meet other women from the community and show your support of a wonderful cause. Our **Annual Donor** is our premier fundraising event of the year. This past year we hosted a Virtual Tea Party and raised an impressive \$10,000, which we will go toward upgrading and renovating the JHC Beauty Salon. Our next Donor is being planned for September 2021, where we hope to host a fun filled multi-generational event.
